ORDER

This petitioner seeks a direction to the respondents 1 to 3 to consider and dispose of the petitioner's representation, dated 13.11.2025, seeking one more opportunity to opt for the Sales Scheme introduced for the existing occupants and to permit the petitioner to purchase the rented premises namely MIG-I Type House No.M1-13 in Tamil Nadu Housing Board, Maraimalai Nagar, Nagapattinam, on instalment basis under the said Scheme.

2.By consent of both sides, the writ petition is taken up for final disposal at the admission stage itself.

3. It is the case of the petitioner that the Housing Board had constructed 165 residential units consisting of MIG-I, HIG-A and HIG-B Type houses under the Nagapattinam Neighbourhood Scheme at Maraimalai Nagar, Nagapattinam Town, in the year 1991. Out of these 165 houses, 86 houses were sold to various individuals and 79 houses remained unsold, largely owing to their small twin-house dimensions. The unsold units comprised of 74 MIG-I Type houses, 3 HIG-A Type houses and 2 HIG-B Type houses. After the formation of new Nagapattinam District in the year 1991, most of the unsold houses were allotted to Government servants belonging to D-Cadre for occupation as tenants, with the monthly rent being deducted from their salaries. The petitioner was also allotted a MIG-I Type House bearing No.M1-13 in the year 2012 on the basis of monthly rent. Accordingly, the petitioner is in continuous occupation and maintenance of the said house.

4.The respondents introduced a sales scheme vide Proceedings in R6/4543/99 for disposal of the remaining unsold units to the existing occupants, fixing the sale price on the basis of the extent of the house and prescribing a 14-year repayment period with interest. At that time, the sale price was fixed at Rs.2,65,851/- for MIG-I Type Houses, Rs.6,54,800/- for HIG-A Type houses and Rs.5,27,400/- for HIG-B Type houses with corresponding monthly

instalments. Although the sales scheme was implemented in the year 2002, no opportunity was extended to the occupants like petitioner who were inducted into possession after 2002. Therefore, they could not avail the benefit of purchasing the allotted house under the said scheme. However, the petitioner has continued to occupy the premises lawfully and has been paying the rent regularly without any default. Now, the petitioner is willing to purchase the property at the rate that may be fixed by the 2nd respondent. In this regard, he has also given various representations on 22.09.2022, 28.12.2022, 06.06.2023, 05.06.2024 and 13.11.2025. However, his representations have not been considered. Hence, the writ petition.

5. Heard the learned counsel for the petitioner, Mr. Yogesh Kannadasan, learned Special Government Pleader, who takes notice for the respondents 1 and 4 and Mr. D. Veerasekaran, learned Standing Counsel, who takes notice for the respondents 2 and 3.

6. As the petitioner is in continuous possession of the property and the respondents had also taken a policy decision earlier to sell the property to the existing occupants, though the petitioner was not given the opportunity since he was inducted into possession after 2002, the District Collector, Nagapattinam,

has forwarded the representation of the petitioner's Association to the Tamil Nadu Housing Board, by communication dated 17.09.2013 for affording one more opportunity for the existing occupants to purchase the house under the sales scheme.

7. In such view of the matter, this Court is of the view that, when the respondents have already taken a policy decision to sell the property to the existing occupants, let the 2nd respondent consider the latest representation of the petitioner dated 13.11.2025, taking note of the fact that now, the petitioner is willing to purchase the property at the price that may be fixed by the 2nd respondent, and pass appropriate orders, particularly fixing the rate at present market value. Such orders shall be passed within a period of two months from the date of receipt of a copy of this order.

8. With these directions, this writ petition is disposed of. No costs.
