This writ petition has been filed seeking to survey and demarcate the boundaries of the properties morefully described in the prayer to this writ petition based on the representation of the petitioner dated 21.11.2025.

2. It is represented by the learned Special Government Pleader appearing for the respondents 1 to 3 that based on the representation of the petitioner dated 21.11.2025, Survey and demarcation of boundaries of the properties morefully described in the prayer to this writ petition, has been completed by the respondents.

3. The learned counsel for the petitioner also agrees with the submission made by the learned Special Government Pleader appearing for the respondents 1 to 3. However he would submit that the burial place in the petitioner's patta land, has not been removed.

4. However, since the relief prayed for in this petition has been achieved, this writ petition stands disposed of as infructuous. Insofar as the request of the petitioner for removal of the burial place in the petitioner's land is concerned,
