3. It is the case of the petitioner that the third respondent is not the proper authority to consider the representation made by the petitioner. Even though this Court had recorded in the order dated 05.12.2024 that the petitioner is at liberty to challenge the order made by the third respondent, considering the fact that the proper authority would be the first respondent, this application stands dismissed as withdrawn with liberty to the petitioner to submit a representation before the first respondent within a period of two weeks from today and on receipt of such representation, if any, the first respondent shall pass appropriate orders on merits and in accordance with law after providing an opportunity of hearing to the petitioner within a period of 12 weeks thereafter by considering the documents to be submitted by the petitioner before him.
