For Petitioner : Mr.P.Krishnasamy

2.It is also contended by the learned counsel for the petitioner that the writ petition filed by the sister was allowed by this Court on 20.12.2022, directing the authorities to conduct a survey and fix the boundaries. However, even thereafter, no survey has been conducted and hence the present writ petition has been filed.

3.Considering the limited scope of the relief sought for in the writ petition, with the consent of the learned counsel on either side, the writ petition itself is taken up for final disposal.

4.It is seen from the affidavit that though there has been a representation made to the authorities on 23.09.2022, the online application and payment of requisite fee has been made only on 09.01.2025.

5.Considering the above, there shall be a direction to the third respondent shall conduct a survey and demarcate the boundaries of the petitioner's property in terms of his online application on 09.01.2025, within a period of twelve weeks from the date of receipt of a copy of this order.

7. It is made clear that if the third respondent/Tahsildar and the fourth respondent/Surveyor deem it fit that the police protection would be necessary at the time of survey, they shall make a request to the fifth respondent for providing adequate police protection at the time of survey and the fifth respondent shall provide necessary protection.

8. With the above directions, this Writ Petition is disposed of. No costs.
