ORDER

This Writ Petition is filed for issuance of a writ of mandamus, directing the respondents to conduct survey of the petitioner's house site in Survey No.11/7A1, in patta no.550, to an extent of 14 cents, at Vattakudi North, Pattukottai Taluk, Thanjavur District, based on the petitioner's application, dated 27.05.2024, and representation, dated 19.12.2024.

2. The subject property belongs to the petitioner's family and patta was also issued in the name of the petitioner's late husband, namely, Panneerselvam in Patta No.550. While so, the petitioner's husband died on 26.11.2015 and, after his demise, the petitioner and her family members were in peaceful possession and enjoyment of the subject property. The petitioner, in order to fix four boundaries of her land, submitted an application to the respondents on 27.05.2024, along with necessary fee, for survey and demarcation of the land. As the respondents did not initiate any action, the petitioner submitted a representation, dated 19.12.2024, and, even thereafter, no action was taken by the respondents. The petitioner, therefore, filed the above Writ Petition for the aforesaid relief.

3. With the consent of the learned counsel on both sides, this Writ Petition is taken up for final disposal at the admission stage itself. If any person is aggrieved by this order, it is open for him/her to move this Court either by way of review or recall of this order, if there is any suppression of material facts by the petitioner.

4. This Court, in W.P(MD)No.12676 of 2024, dated 14.06.2024, issued certain directions for considering the application for survey and fixing the boundary. Following the said order, the following directions are issued:

(I) The petitioner is directed to submit his / her application in on-line mode. The survey authority will scrutinize if the application submitted by the petitioner is in order. Patta need not be in the name of the applicant. If patta is in the name of the vendor and mutation has not been effected, still the application can be considered.

(II) The petitioner will have to enclose all the relevant documents such as patta. The applicant must have individual patta in his / her name. If he / she is having joint patta, co-pattadars must give their consent for conducting survey.

(III) The survey authority will issue notice to the writ petitioner as well as the adjacent land owners and also to the interested persons, if any.

(IV) Enquiry shall be held. During enquiry, objections raised by the adjacent land owners / interested persons shall be considered.

(V) If according to the jurisdictional authority, the objections are without any basis, the same shall be overruled and the objectors shall be informed accordingly. But the survey will be conducted only after a period of six weeks so that the objector can move the concerned Court for injunction. If before the proposed date of survey, the objector is unable to obtain any injunction order, the survey can very well go on.

(VI) It is open to the parties to serve memo of instructions to the surveyor at the time of conducting survey. The same will be borne in mind. While it cannot be binding on the surveyor, the same will be taken note of.

(VII) If the jurisdictional authority finds objections to be having substance, then, he shall call upon the applicant to move the jurisdictional civil Court for agitating his rights.

(X) The survey authority will conclude the entire exercise one way or the other within a period of twelve weeks after service of notice on the interested persons.
