This writ petition is filed seeking a direction to the respondents 1 to 6 to take an action against the Respondents 7 and 8 for fabricating false Documents to obtain quarry licence.

W.P.(MD)No.3591 of 2025

WEB COPY 2.The contention of the petitioner is that the eighth respondent is running the quarry throughout the day and night causing disturbance to the public in the petitioner's Village. Due to the same, the ground water went drastically down and there were noise pollution by blasting bomb and running crusher unit and also continuous transportation. In this regard, the village people conducted protest and also made a complaint before the first respondent. In the meantime, the eighth respondent submitted an application seeking new quarry licence in Survey Nos.478 and 483 of Idaikal Village-2. By Suppressing all the objections raised by the village people, the eighth respondent managed to obtain no objection certificate from the seventh respondent and submitted the same along with his application before the authorities concerned. Hence, the petitioner seeks to take action against the seventh and eighth respondents.

3.The learned Government Pleader appearing for the official respondents, on instructions submits that the application of the eighth respondent has been considered and after verification of all documents, license has also been granted in favour of the eighth respondent.

4.In view of the fact that the license has been granted in favour of the
