ORDER

[Order of the Court was made by S.M.SUBRAMANIAM, J.]

This review application has been instituted seeking to review the judgment dated 29.11.2023 made in W.A.(MD) No.1141 of 2022.

2. Learned Senior Counsel appearing for the review petitioner mainly contended that once the candidate is qualified to apply for a post that is enough and the production of proof for the same is a procedural and therefore, on that ground, the candidature of the petitioner cannot be rejected. He produced a photocopy of the SSLC mark statement only for the sake of producing its true copy, for which it took six days time for him and therefore, there was a delay and on that ground, his case was rejected. Such a mistake on the part of the review petitioner is trivial in nature, which needs to be

condoned and consequently, the review petition is to be considered.

3. Re-adjudication of merits in a review petition is impermissible.

The grounds for appeal cannot be considered in a review petition. The scope of Order XLVII of the Code of Civil Procedure cannot be expanded for the purpose of reconsidering the facts or merits, which were already considered by the Court. With reference to the grounds raised, this Court has already considered and made a finding that the review petitioner was called for certificate verification on 21.11.2019 and on that date, the review petitioner did not possess the requisite certificate. The review petitioner was issued with the SSLC mark statement only on 27.11.2019 i.e., six days after the certificate verification and since the said certificate was lost by the review petitioner, the same was not produced before the Selection Committee. This Court further observed that even on subsequent date, the petitioner had not produced the said document. Pertinently, the review petitioner participated in the subsequent selection process and was unsuccessful. That being the factum, we are of the view that the review petitioner has not made out any error apparent on the face of the records warranting interference of this Court to exercise the power of review.

4. Accordingly, this review petition is dismissed. However, if the review petitioner is otherwise eligible, he may participate in the future recruitments, if any notified. No costs.
