3.Under these circumstances, issuing a direction to merely consider the representation would not serve the purpose. It is for the parties involved to discuss the issues and arrive at a consensus in order to maintain peace and tranquility in the Village.

4.In view of the above, the direction as such sought for deserves no merit consideration. However, the competent authorities shall proceed with the peace talks between the groups and ensure that peace and tranquility are maintained in the locality.

5.With these observations, this Writ Petition stands disposed of.
There shall be no order as to costs.
