2. The only apprehension of the petitioner is that through his patta land, a new channel may be created. The learned Additional Government Pleader on instructions states that the petitioner need not have any cause for apprehension. On the other hand, it is submitted that it was the petitioner who had obstructed the free flow of water through channel in survey No.339/7 and the obstruction was removed after the villagers complained against the petitioner. The petitioner has come up with counter allegations that the eighth respondent Abdulsalam has obstructed free flow of water in survey No.126/1. It is asserted by the official respondents that Abdulsalam has not made any such obstruction.

3. Recording the said stand of the official respondents, this writ petition stands disposed of. No costs. Consequently, connected miscellaneous petition is closed.
