### **ORDER**

The present Writ Petition has been filed for the issuance of a Writ of Mandamus, to direct respondents to defreeze the attachment against the petitioner's property purchased by a registered Sale Deed dated 20-02-2016 registered as Document No. 188/2016 at Kunnathukkal Sub Registrar Office, Thiruvananthapuram District.

2.The contention of the petitioner is that the FIR was filed against the company in the year 2017. However, he has purchased the property prior to 2017, ie., in the year 2016 itself. Therefore, the petitioner is seeking to de-freeze the attachment of the petitioner's property.

3.This Court is of the considered opinion that the said claim cannot be accepted. Any property which was purchased by the erring financial institution from the date of starting of the said institution will be covered under the Act.

4.In the present case, the financial institution was started in the year 1995. Therefore, the present sale also will come under the purview of the TNPID

5.The learned Counsel appearing for the third respondent submitted that based on the FIR, G.O.No.137 of 2023, dated 24/03/2023, G.O.Ms.No.220, dated 08/05/2023 and G.O.No.297 of 2024 dated 17/05/2024, were passed. After passing the said 3 government orders, it was found that some 91 Kerala properties belong to the said financial institution and the respondents are taking effective steps to attach the properties under Sections 3 and 8 of the TNPID Act. The original application has been filed for 20 mala fide properties worth about Rs. 1,64,89,750/- as per the guideline value before the TNPID Court, Madurai on 30/01/2024 and awaiting for orders. Further, 59 documents were sent to RDO, Thiruvananthapuram and 47 documents were sent to RDO, Padmanabapuram and they were awaiting for their genuineness certificate. After getting the same, the respondents would initiate action under the TNPID Court for further attachment. The petitioner's property would come under the said mala fide transactions. Therefore, at this point of time, the petitioner cannot seek direction to defreeze the attachment.

6.After considering the rival submissions, this Court is of the considered opinion that when the proceedings is under way and the attachment process has been initiated against petitioner's property, then the appropriate remedy for the petitioner is to approach the TNPID Court and not by way of writ

petition. Further, the issue involves factual matrix which can be ascertained only by the appropriate Court not by the Writ Court. Therefore, the present writ petition is liable to be dismissed.

7. Accordingly, the writ petition is dismissed. No costs. However, liberty is granted to the petitioner to approach the TNPID Court. The TNPID Court shall process the same as per law. The DRO is directed to file an O.A. On numbering the O.A., the particulars and copies may be granted to the petitioner. The petitioner is at liberty to process the same as per law. The said exercise shall be completed within a period of six months from the date of receipt of a copy of this order.
