This Court, therefore, requested the learned Additional Public Prosecutor to verify whether the life convict is entitled for emergency leave under Rule 6 of Tamil Nadu Suspension of Sentence Rules, 1982 and if so, the present health condition of the life convict's father for consideration of emergency leave. Accordingly, the learned Additional Public Prosecutor has submitted a report which indicates that the father of the life convict is suffering from very serious ailment and taking treatment at Velammal Medicial College Hospital.

4.Taking into consideration the health condition of the life convict's father, this Court is inclined to dispose of the Writ Petition with a direction to the authorities to consider if any representation received from the life convict or his representative for emergency leave to attend his ailing father and if such representation is submitted, the same may be considered within a period of five days from the date of receipt of such representation.
