2.By consent, this writ petition is taken up for final disposal at the stage of admission itself.

3.This writ petition is styled as public interest litigation. The contention of the petitioner is that the seventh respondent, in the year 2024, under the pretext of conducting Jallikattu event in the petitioner's village had collected donations from the political party and from the owners of the bulls. However, he misappropriated the said amount. When the same was questioned by the public, he made life threat too them. Now, for this year also, he is propagating that he is going to conduct jalligattu and ask for donations from the public. In this regard, the petitioner has made a representation to the official respondents on 18.02.2025. However, the same did not evoke any response. Hence, this writ petition is filed.
