ORDER

The petitioner seeks limited relief of issuance of Writ of Mandamus to direct the first respondent to dispose of the petitioner's application for rectification of the error in the revenue records.

2.The grievance of the petitioner is that the petitioner temple is the owner of the subject lands and they have also constructed a shopping complex and leased out shops in the said shopping complex. However, in the revenue records a mistake has crept in and the lands belonging to the petitioner temple have been classified as vacant natham after removing the name of the temple, which had been originally mutated in the revenue records. The petitioner therefore, made an application to the first respondent seeking rectification of the revenue records. The urgency expressed by the temple is that the temple is unable to confirm the auction conducted for leasing out shops to successful bidders in view of the error in the revenue records.
