PRAYER: Petition filed under Article 226 of the Constitution of India, to issue a Writ of Mandamus, directing the fourth and fifth respondents to survey the lands in S.No.86,87/1, 88 and 98 in Thenparanadu Village, Thuraiyur Taluk, Tiruchirappalli district based on the representation dated 18.07.2024 within the time stipulated by this Court.

For Respondents : Mr.M.Lingadurai

4. The learned counsel for the petitioner would invite my attention to the judgment of this Court in the second appeal proceedings, dated 02.08.2011 confirming the title of the petitioner. He would therefore contend that the alienations made pending the first appeal were invalid and in fact, all these have been considered by the Revenue Divisional Officer and a considered order has been passed on 27.02.2019, in proceedings Na.Ka.A1/2741/2014. The petitioner's counsel therefore seeks for writ of mandamus being favourably considered.

5. The learned Special Government Pleader appearing for the respondents would submit that there was a pending writ petition forbearing the authorities from conducting any survey and the said writ petition has already been disposed of and therefore, now there can be no impediment for the authorities to conduct the survey.

6. In view of the above, the writ petition is disposed of with a direction to the fourth respondent, with the assistance of the fifth respondent to conduct survey based on the petitioner's application, dated
