ORDER

The petitioner has filed the present Writ Petition, seeking issuance of a Writ of Mandamus, to direct the first respondent to correct the FMB and restore it to its original stage. In this regard, the petitioner has made an application to the first respondent on 20.02.2025 and thereafter further representation has been given to all the respondents herein including the first respondent on 07.03.2025.

2.The specific case of the petitioner is that survey has already been notified and the FMB could not have been changed thereafter, as there is a clear prohibition under the Statute and excepting for seeking the same by way of filing a civil suit, the authorities are not entitled to carry out corrections. The petitioner seeks only for restoration of possession as per the earlier FMB. There is force in the submission of the learned Counsel for the petitioner.
