ORDER

The petitioner has sought for issuance of a Writ of Mandamus to direct the survey to be conducted based on the petitioner's application dated 17.12.2024. The petitioner placing reliance on the registered sale deed dated 08.02.2024, as well as Patta No.3883, issued to the petitioner, sought for survey to be conducted. However, at the instance of the fourth respondent, the officials are unable to go ahead with the survey.

2.Learned Additional Government Pleader, on the last hearing brought to my notice that a suit is also pending in O.S.No. 508 of 2024. Therefore, the survey cannot be undertaken as requested by the petitioner, until disposal of the said suit.

3.Today, learned Counsel for the petitioner on getting instructions submitted that the suit in O.S.No.508 of 2024, has been

filed by the fourth respondent only in respect of S.No.240/2 and not in respect of the survey number for which survey is sought for ie., S.No.240/3.

4.In view of the above, there can be no impediment for the respondents 1 and 2 to go ahead with the survey, as sought for by the petitioner. Considering the objections of the fourth respondent, it is open to the first respondent to seek the assistance of the third respondent to ensure that the survey is conducted without any law and order problem arising. The said exercise shall be carried out by the respondents 2 and 3, within a period of four [4] weeks from the date of receipt of a copy of the order.

5.With the above direction, this Writ Petition stands disposed of. There shall be no order as to costs.
