... Respondents

PRAYER: Writ Petition filed under Article 226 of the Constitution of India for issuance of Writ of Mandamus, direct the respondents 1, 3 and 5 to grant extension of time for a period of 8 months i.e Till November 2025 to report to duty in pursuant to appointment order in R.NO.9042223/E5/A3/2024-1968 so as to enable the petitioner to complete the post graduate in General Surgery with the 6th respondent.

For Petitioner : Mr.S.Ramesh

For Respondents : Mr.S.Vinoth
Government Advocate

ORDER

This writ petition has been filed seeking a writ of Mandamus directing the respondents to extend the time for reporting and joining in duty pursuant to the appointment order issued to him by considering his representation.

2. The petitioner in this case is pursuing final year Post Graduate Course in General Surgery, which was started in 2022 and will end by November 2025. The petitioner participated in the selection process for the post of Assistant Surgeon and she was appointed and posted as Assistant Surgeon by the second respondent vide appointment order, dated 25.02.2025. As per the appointment order, she has to report and join the duty within 15 days from the date of receipt

W.P.(MD)No.7438 of 2025

of the appointment order. Seeking extension of time to join the duty, the

petitioner is before this Court by filing the present writ petition.

3. Heard the learned counsel for the petitioner, learned Government Advocate appearing for the respondents and perused the materials available on record.

4. The issue involved in this writ petition has already been considered by this Court in W.P(MD)Nos.5940 and 6252 of 2025 and passed a detailed order on 11.03.2025. The relevant portion of the said order is extracted herein under:

7. The Post Graduate courses are the primary channel through which the State Government replenish their specialist doctors. The State Governments allot substantial resources and funds to train Post Graduate medical students with expectation that those doctors will contribute to the State Health Care System.

8. Nowadays, having specialists in different subjects of medicine within the State Health Care System is very essential than earlier days, particularly in the light of suffering such as Covid-19 pandemic and raising of non-communicable diseases. The petitioners in these two writ petitions are undergoing Post Graduate Courses from the year 2022 and they are going to complete it within few months. The petitioners in W.P(MD)No.5940 of 2025 are going to complete their Post Graduate Courses in the month of October and November 2025. The petitioner in W.P(MD)No.6252 of 2025 is going to complete the Post Graduate Courses by April 2025. As such, the petitioners required some time to join duties as Assistant Surgeons pursuant to the appointment orders issued by the Director of Public Health and Preventive Medicine.

9. At this juncture, it is relevant to extract sub section (5) of Section 7 of the Act for proper adjudication of the issue involved in these writ petition as herein under:

(5) If an approved candidate selected by the Commission for appointment by direct recruitment fails to join duty ordinarily within three months from the date of receipt the orders directing him to join duty or within an earlier date, if so specified by the appointing authority in special circumstances, he shall forfeit his right for appointment to the post and his name shall be removed from the approved list:

Provided that in special circumstances, the appointing authority may extend the time-limit referred to in this sub-section up to six months for valid reasons: (emphasis is our's)

Provided further that in exceptional circumstances, if any candidate is allowed to join duty beyond the time limit of six months, his seniority in that post shall be fixed below the junior most candidate appointed to that post in that service on the date of his joining duty.

10. On bare perusal of the First Proviso to sub section (5) of Section 7 of the Act, it is provided that in special circumstances, the appointing authority may extend the time limit referred to in sub section(5) of Section 7 of the Act upto six months for valid reasons. It is further provided that in exceptional circumstances if any candidate is allowed to join duty beyond the time limit of six months, his seniority in that post shall be fixed below the junior most candidate appointed to that post with service on the date of joining his duty.

11. The State Government and the Director of Public Health and Preventive medicine who is the appointing authority ought to have considered the request of the petitioners to extend the time limit to join duty as stipulated in the appointment order considering the situation of the petitioners treating to be as special circumstances. If the petitioners are allowed to complete their Post Graduate in different specialization,

W.P.(MD)No.7438 of 2025

it is useful to the State's Health Care System. They can contribute the State Health Care System as specialist doctors. Apart from losing 2 ½ years time, effort and money dedicated by the petitioners, who are medical post graduate students from Tamil Nadu, towards their academics, gazillions of money spent on the students' post graduate education by the State Government would be rendered wasteful and adversely impacts the State exchequer. It is over all a loose-loose situation if the petitioners are not allowed to finish their post graduate courses just to oblige the time stipulated in the appointment order. The condition, which cuts down their chances of finishing their courses, will also put them in a disadvantageous place compared to their counterparts from other parts of the country and makes them less competent and less competitive. As such, the State Government should consider the request of the petitioners to extend the time for joining the post after completion of post graduate course to make it a win-win situation.

12. At the same time, there is no substance in the contention of the respondents that they have to wait for another two years for joining of the petitioners into service in view of the fact that the petitioners are going to complete the Post Graduate courses within few months.

13. Considering all these aspects and considering the difficulties of the petitioners to study the Post Graduate courses in Medical field in this tough competitive system hailing from ordinary families and to save public money spent by the State Government on each medical student and to have a specialist doctors in the State with different specialization to serve the needy, this Court holds that the request of the petitioners, for extension of time is supported by valid reasons and in the interest of justice.”

5. By following the aforesaid order, the writ petition is allowed with a direction to the Director of Public Health and Preventive Medicine to extend the time limit referred to in the appointment order issued in favour of the petitioner

W.P.(MD)No.7438 of 2025

by following proviso to sub section(5) of Section 7 of the Tamil Nadu

WEB GOVERNMENT SERVANTS (Conditions of Service) Act.

There shall be no order as to costs.
