With the consent of the learned counsel appearing on either side, the writ petition is taken up for final disposal, even at the stage of admission.

2. I have heard the learned counsel appearing for the petitioner and Mr.S.Kameswaran, learned Government Advocate appearing for the respondents.

3. The petitioner has filed the present writ petition seeking issuance of a Writ of Mandamus to direct the respondents to consider and pass orders on the petitioner's application for reclassifying the subject lands from Government lands and consequently, issue patta in the online mode as Government lands and consequently direct the respondents to include the name of the petitioner in the online patta. 4. The grievance of the petitioner is that though the revenue records stand mutated in the name of the writ petitioner, in the online patta, the petitioner's name has been omitted and the lands are reflected as Government lands. Therefore, the petitioner wants necessary corrections to be carried out in the online patta.

5. The learned Government Advocate appearing for the respondents would rely on the Circular in R1/7699421/2024, dated 27.08.2024 on the file of the Commissioner of Land Administration, Chennai, where, the Revenue Divisional Officer has been given the responsibility of addressing the grievances of this nature.

6. However, I find that the Revenue Divisional Officer, Tenkasi is is not even impleaded as party respondent in the writ petition. It is brought to my notice that the first respondent has forwarded the application of the petitioner to the third respondent to take action. In view of the above developments even before institution of the writ petition, I direct the third respondent to conduct necessary enquiry based
