ORDER

The writ petitioner is one of the legal heirs of one Thirugnanam, who was owning the subject land. After his death, the writ petitioner and the other heirs have partitioned the estate of said Thirugnanam by an oral partition in the presence of the Panchayatars. The said oral partition has been reduced in writing by way of written instrument on a subsequent date. Based on the said partition deed, the petitioner has approached the authorities for mutation of patta in his name. The said application of the petitioner has been rejected by the Zonal Deputy Tahsildar, Kulathur Taluk, Pudukkottai District on 18.02.2023 in the online platform stating that the title deeds have not been produced.

2. I have heard the learned counsel appearing on either side and perused the materials placed before this Court.

3. It is the specific case of the petitioner that the subject lands are ancestral in nature and therefore, he does not possess any title deeds to substantiate his claim and the mutation was sought only based on the patta, which was already issued to his father, Thirugnanam and the subsequent partition entered into between his heirs.

4. I do not see any reasoned order passed by the Zonal Deputy Tahsildar. Further no hearing was also given to the petitioner to substantiate his claim and the rejection made in the online mode is also not in compliance with the provisions of the Patta Passbook Act. I am therefore, constrained to set aside the impugned order of the third respondent and remit the matter to the third respondent for fresh consideration. The third respondent shall issue notice to the interested parties and also hear the objections, if any, before passing any final order in the application made by the petitioner.
