3.The learned Government Advocate (Crl.Side) appearing for the respondent police would submit that due to love failure, the petitioner's son has committed suicide. In this regard, a case has been registered based on the complaint given by the deceased's father/petitioner's husband. After conducting proper investigation, it came to known that the deceased has consumed poison and his medical records were also revealed the same. Therefore, they have closed the case as 'action dropped'. Therefore, transfer of investigation does not arise and this petition is liable to be dismissed.

4.Considering the prayer sought for in this petition and already in this case, investigation has been completed and closed as 'action dropped', nothing survives for further adjudication.
