perusal of the records would reveal that the petitioner's husband owned the subject property under title deed No.1100. Therefore, the second respondent, without verifying the title deed, mechanically refused to register the agreement for sale, which was presented for registration, on the objections raised by the fourth respondent, that too in respect of the property under title deed No. 1027.

Accordingly, the impugned refusal check slip dated 11.12.2024 issued by the second respondent is quashed. The petitioner is directed to re-present the agreement of sale for registration. On receipt of the same, the second respondent is directed to register and release the same forthwith, if it is otherwise in order.
