representation dated 02.04.2025 to the respondents. Since the same has not been considered till date, the petitioners have filed the present Writ Petition seeking the aforesaid relief.

4. It is needless to point out that whenever a representation of this nature is made to a Statutory Authority, there is a duty cast upon him to consider the same on its own merits and pass appropriate orders in one way or other, instead of keeping the same pending indefinitely. As such, non-consideration of the representation by the Statutory Authority would amount to dereliction of duty and hence, this Court will be justified in invoking its extraordinary powers under Article 226 of the Constitution of India and direct them to consider the same within a stipulated time.

5. In the light of the above observations, there shall be a direction to the second respondent to consider the representation made by the petitioners dated 02.04.2025, on its own merits and pass appropriate orders in accordance with law, within a period of two months from the date of receipt of a copy of this order. It is also made clear that this Court has not expressed any of its views with regard to the merits of the matter and that it is open to the respondents to consider the same on its own merits.
