extant rules, when the rules say that the employees are entitled to the benefits immediately after retirement. Hence, without any doubt and in view of the settled legal position, the employees who worked in the Transport Corporation and have retired between 01.09.2019 and 31.07.2022 are entitled to receive the revised monetary benefits from the date on which the revised monetary benefits were agreed under the 14th wage revision settlement.

9. As the pension has also been revised under the terms of the 14th wage revision settlement and Rule 15 of the Tamil Nadu State Transport Corporation Employees Pension Fund Rules, the last drawn basic salary shall be the salary to be taken for calculating pensions. As the last drawn salary has been revised in terms of the 14th wage revision settlement, the impugned letter cannot restrict the benefits. The respondents are directed to revise the monetary benefits and the difference in the revised pension which is payable from the date on which the revised monetary benefits were given to the working employees under the 14th wage revision settlement.”

6. As the facts are not disputed by the respondents, this Court by following the above order stated supra is inclined to allow the writ petition.
