ORDER

Heard the learned counsel on either side.

2. Though the petitioner seeks issuance of writ of mandamus, to direct the respondents 1 and 2, to survey the petitioner's property, based on the application dated 05.06.2024, the learned Special Government Pleader would submit that the survey was already conducted and application has been closed. However, the said contention was refuted by the learned counsel for the petitioner and states tat though officials attempted to survey, in view of objections raised by the neighbouring owners, surveyor could not be conducted. However, this is not stated in the affidavit in support of the writ petition.

3. Considering the above, this Writ Petition is disposed of, giving liberty to the petitioner to make a fresh online application seeking for survey, after remitting necessary charges, within a period of two weeks from the date of receipt of a copy of this order. On such application being made, the respondents 1 and 2 shall proceed to dispose of the said survey
