quash the same as illegal and consequently direct the second respondent to approve the appointment of the petitioner from 24.02.2015 and disburse all the service and monetary benefits.

ORDER

The instant writ petition has been filed by the Secondary Grade Teacher appointed in the fourth respondent School, challenging the order passed by the second respondent on ...07.2024, wherein the approval was granted only from 20.04.2023 instead of 24.02.2015.

2. According to the learned counsel appearing for the writ petitioner, the petitioner was appointed as Secondary Grade Teacher in the fourth respondent School on 24.02.2015. The proposal to grant approval of the appointment of the petitioner was forwarded by the management to the second respondent. The second respondent, instead of granting approval from the date of appointment, (i.e) 24.02.2015, vide impugned order dated ...07.2024, granted the approval only from 20.04.2023 on the ground that there were surplus Secondary Grade Teachers prior to 20.04.2023.

W.P.(MD)No.13307 of 2025

3. According to the learned counsel for the petitioner, the fourth respondent School is an Aided Minority Institution administered by a Corporate Management. Prior to the decision of the Hon'ble Division Bench of this Court in W.A.(MD).No.76 of 2019, dated 31.03.2021, staff fixation orders were issued based on the student strength of each School and surplus Teachers were identified only based on the student strength of each School. The concept of Corporate surplus was introduced only in the orders of the Hon'ble Division Bench in W.A.(MD).No.76 of 2019 dated 31.03.2021. When the appointment of the petitioner has been made prior to the orders of the Hon'ble Division Bench dated 31.03.2021, the authorities are excepted to consider the fact that whether the appointment is within the staff fixation order for the fourth respondent School or not.

4. Per contra, the learned Government Advocate appearing for the official respondents herein had contended that the fourth respondent School having been administered by a Corporate Management, if there are surplus Secondary Grade Teachers in the other School falling within the same management, without deploying those Teachers, any fresh appointment of a Secondary Grade Teacher cannot be approved.

5. I have carefully considered the submissions made on either side and perused the materials placed on record.

6. As rightly pointed by the learned counsel for the petitioner, the concept of corporate surplus was introduced by the Hon'ble Division Bench for the first time in W.A.(MD).No.76 of 2019 dated 31.03.2021. Before that, the authorities as well as the concerned Schools were following G.O.Ms.No. 525, School Education (D1) Department, Dated 29.12.1997, wherein, there is no whisper about the corporate surplus. In such circumstances, if any appointment is made prior to 31.03.2021, the authorities are expected to grant approval to the appointment of Teachers, provided the appointment is within the staff fixation order for the relevant School in the relevant academic year.

7.As far as the present case is concerned, one Secondary Teacher post has been sanctioned under the staff fixation order for the academic year 2014-2015 for the fourth respondent School. It is not in dispute that the petitioner has been appointed to the said post. In such circumstances, there are no surplus Secondary Grade Teachers as per the staff fixation year for the fourth respondent school.

8. In view of the above, the order impugned in the writ petition is set aside insofar as it denies approval from 24.02.2015 onwards is concerned and this writ petition is allowed. The second respondent is directed to revise the approval order granting approval to the appointment of the writ petitioner with effect from 24.02.2015 onwards. The said exercise shall be completed within a period of 4 weeks from the date of receipt of a copy of this order.

No costs.

Consequently, the connected miscellaneous petition is closed.
