2.It is the specific case of the petitioner that the impugned proceedings initiated by the respondents are arbitrary and against the provisions of the Act. The primordial contention of challenge in the Writ Petition is that the entire acquisition was not completed within three years and no declaration was also made under Section 37(2) of the Act, within the said period.

3.Learned Counsel for the petitioner would rely on a decision of this Court in W.P.(MD)No.11512 of 2023 dated 11.05.2023, where this Court in a similar matter pertaining to release of lands under Section 38 of the Act held that the Detailed Development Plan would stand lapsed if the authorities have not completed the acquisition process within a period of three years.

4.Learned Additional Government Pleader, on instructions submits that the acquisition process in the present case commenced in the year 2019. Therefore, the ratio laid down by this Court in W.P. (MD)No.11512 of 2023 dated 11.05.2023, would squarely apply to the facts of the present case. Accordingly, the petitioner is entitled to a Writ of Declaration.
