4. It is needless to point out that whenever a representation of this nature is made to a Statutory Authority, there is a duty cast upon him to consider the same on its own merits and pass appropriate orders in one way or other, instead of keeping the same pending indefinitely. As such, non-consideration of the representation by the Statutory Authority would amount to dereliction of duty and hence, this Court will be justified in invoking its extraordinary powers under Article 226 of the Constitution of the India and direct them to consider the same within a stipulated time.

5. In the light of the above observations, there shall be a direction to the official respondents to consider the petitioner's representation dated 17.05.2024, on its own merits and pass appropriate orders in accordance with law, after giving due opportunity to the petitioner, private respondent, as well as all other persons, who may be interested in the subject property, within a period of three months from the date of receipt of a copy of this order. It is made clear that this Court has not expressed any of its views with regard to the merits of the

matter and that it is open to the concerned respondents to consider the same on its own merits.

6. With the above direction, the Writ Petition stands disposed of. No costs.
