2. By consent of both parties, this writ petition is disposed at the stage of admission itself.

3. When the matter is taken up for hearing, the learned counsel appearing for the petitioner submits that though some grounds are raised by the petitioner seeking for the aforesaid relief, now, he confines the prayer that it would suffice if the representation of the petitioner is disposed of in accordance with law. The petitioner has made a representation to the respondents dated 04.02.2025 seeking for the aforesaid relief.

4. It is needless to point out that whenever a representation of this nature is made to a Statutory Authority, there is a duty cast upon him to consider the same on its own merits and pass appropriate orders in one way or other, instead of keeping the same pending indefinitely. As such, non-consideration of the representation by the Statutory Authority would amount to dereliction of duty and hence, this Court will be justified in invoking its extraordinary powers under Article 226 of the Constitution of India and direct them to consider the same within a stipulated time.

5. In the light of the above observations, there shall be a direction to the second respondent to consider the petitioner's representation dated 04.02.2025, on its own merits and pass appropriate orders in accordance with law, within a period of two months from the date of receipt of a copy of this order. It is also made clear that this Court has not expressed any of its views with regard to the merits of the matter and that it is open to the respondents to consider the same on its own merits.

6. With the above observations and directions, the Writ Petition stands disposed of. There shall be no order as to costs.
