which is classified as Government land. But the petitioner is in possession of the land based on the patta issued in the name of his grandfather. The petitioner further stated that there are 14 legal heirs for his grandfather and there is a dispute among legal heirs regarding the properties including the present property, hence the patta still stands in the name of the grandfather and not in the name of the legal heirs. Furthermore, stated that along with the petitioner, there are 10 more persons staying in the said land. The Sub Collector has sought for a report how the patta was issued to them and based on the said report the respondents would take action and evict the petitioner.

4. In the meanwhile, the petitioners have submitted a representation dated 03.06.2025 to consider and grant patta.

5. This Court without expressing any opinion on the merits of the case is directing the respondents to consider the petitioner's representation dated 03.06.2025 and pass appropriate orders. While considering the said representation the respondents shall also consider for issuing patta based on the G.O., wherein the said G.O. grants power for the respondents to

grant patta based on the long possession of the land. If the petitioner is entitled to the benefits of the said G.O., the respondents shall consider the same as per the G.O as well. Until the order is passed in the above representation, the respondents shall not evict the petitioner.
