2. The learned Government Pleader, on instructions, would submit that there is no proposal to demolish the existing bus shelter for passenger. A report filed by the Assistant Divisional Engineer, Highways, C & M, Vadipatti would show that there is no such proposal for demolishing the bus shelter.

3. In view of the above, no further consideration is required. It is needless to state that the bus shelter is to be maintained properly for the benefit of the people.

4. This writ petition stands disposed of. No costs. Consequently, connected miscellaneous petitions are closed.
