Nullivilai B Revenue Village in Kalkulam Taluk of Kanyakumari District on the cost of the respondents by considering petitioner's representation dated 30.08.2023.

2. The writ petition is disposed of at the time of admission after dispensing with notice on the respondents 5 and 6, who appears to be the petitioner's neighbor.

3. The petitioner is the wife of one Mr.Thanudhas, who had applied for a water connection in the property which was given to the petitioner's mother in law under a partition decree passed in O.S.No.835 of 1990. It appears that the petitioner had also constructed a building on the said property and obtained a water connection. However, the respondents 5 and 6 had disturbed the water supply by breaking the said water connection. Therefore, the petitioner had applied for a fresh water connection, which is a subject matter of O.S.No.92 of 2023 at the behest of the respondents 5 and 6 against the petitioner's mother-in-law.

4. The learned counsel for the petitioner submits that the suit in O.S.No.92 of 2023 has been dismissed for default and the application filed for interim relief was also dismissed on 09.06.2025.

6. Recording the same, the writ petition is disposed of by directing the second respondent to take steps to give water connection to the petitioner's property after the petitioner produces a certified copy of the order, dated 09.06.2025. However, before giving water connection, notice shall also be issued to the private respondents 5 and 6. The said exercise shall be completed within a period of six weeks from the date of receipt of a copy of this order. No costs. Consequently, the connected miscellaneous petition is closed.
