CONT.P.(MD)No.1502 of 2025

2.The learned counsel appearing for the petitioner would submit that the petitioner's application has not been disposed of. However, the application itself has not been enclosed along with the typed set of papers filed in the Contempt Petition.

3.The learned counsel for the petitioner would further submit that the application submitted by the 6th respondent in the Writ Petition was rejected by the authorities under Tamil Nadu Town and Country Planning Act, 1971.

4.May that as it be, it is needless to state that the authorities competent are bound to remove the unauthorized construction by following the proceedings as contemplated under the relevant statutes and rules. Whether the unauthorized construction is made by the 6th respondent or by the petitioner are all to be dealt with in accordance with law. However, we do not find any willful disobedience on the part of the respondents, warranting an action under the Contempt of Courts Act. Thus, this Contempt Petition is closed.
