ORDER

The petitioner claims to be the owner of the property in Survey No.292/42 pursuant to a partition deed dated 19.04.1993. It is the case of the petitioner that the fourth respondent has illegally mutated the revenue records and has obtained patta in respect of the property, which fell in the hands of the petitioner pursuant to the aforesaid partition deed dated 19.04.1993.

2. It is the further case of the petitioner that he has taken appropriate steps for cancellation of patta before the revenue authorities. However, the fourth respondent has managed to get the power connection altered in his name before it is otherwise standing in the name of the petitioner without notice to the petitioner. Aggrieved by the same, the present Writ Petition has been filed.

W.P.(MD).No.16632 of 2025

3. The grievance of the petitioner is legitimate and there appears to be an order transferring the EB connection to the name of the fourth respondent.

Under these circumstances, there shall be a direction to the second respondent to issue appropriate notice to the private respondents as to why the name change effected in the EB connection in favour of the fourth respondent should not be cancelled and restored back in the name of the petitioner. The second respondent shall issue appropriate notice to the private respondents and also to the petitioner and thereafter, proceed to pass a final order on merits and in accordance with law. This exercise is expected to be completed within a period of twelve (12) weeks from the date of receipt of a copy of this order. It is needless to state that the principles of natural justice shall be complied with before final orders are passed.

4. Accordingly, the Writ Petition stands disposed of. There shall be no order as to costs. Consequently, connected miscellaneous petitions are closed.
