2.The reason assigned, seeking for condonation of delay of 178 days in filing the review application, is that the petitioners have forwarded the case file to the higher authorities and after obtaining such permission, they had filed the review application. We are not satisfied with the said reason. The affidavit filed in support of the present miscellaneous petition also does not spell out as to when the papers were sent to the higher authorities for approval. In the absence of any specific reasons for the delay in preferring the review application, we are not inclined to condone the delay.

3.Accordingly, the Civil Miscellaneous Petition stands dismissed.
