The petitioner has approached this Court with a grievance that the respondent No.4 Ward Councillor and her husband respondent No.3 are preventing her from constructing a building in her property and therefore, she seeks for police protection.

2.The learned Counsel for the petitioner submits that the petitioner is a public spirited person and she is intending to construct a building for the welfare of the Schedule Caste and Scheduled Tribe students. It is opposed by the respondents 3 and 4. Since respondent No.4 being Councillor and respondent 3 being her husband, the respondent police are not taking action on her complaint.

3.The learned Government Advocate (Crl Side) appearing for the respondent Police submits that the respondents 3 and 4 claim that they are having two cents of property, wherein the petitioner is attempting to construct a building and therefore, they have raised objections. He further submits that since the issue is purely civil in nature, they are not interfering with the issue and they have advised the petitioner to conduct survey, fix the boundaries and thereafter to proceed with the construction
