2.The petitioner filed an application seeking the cancellation of the assignment order. Since the said application is pending before the second respondent, the present Writ Petition came to be instituted.

3.The learned Government Pleader, who takes notice for the respondents 1 to 4, on instructions, submitted that the application is pending before the third respondent.

4.It is needless to state that pending applications are to be disposed of in a systematic manner by the competent authority, in the order of seniority. Preference to dispose of the applications can be granted in exceptional cases by recording valid reasons. Obtaining an order from the writ Court would not provide any priority, since such orders may affect the disposal of other cases, which are all pending for a long time. Therefore, the case of the petitioner is also to be taken into consideration and to be disposed of in the order of seniority by following the prescribed procedures.
