2. According to the petitioner, the water body called Ramachandra Kulam situated in survey No.46 in Alangudi Village, Alangudi Taluk, Pudukkottai District, was originally classified as a water body called RamachandraKulam. By the proceedings of the first respondent dated 20.12.2000, the said survey number was sub-classified into 103 sub division numbers and some of the sub divisions were reclassified as Natham. However, major portion of the original survey number was retained as a water body.

3. In respect of the water body in the above mentioned survey number, a writ petition was filed before this Court in W.P.(MD)No.23977 of 2023, seeking removal of the encroachment and the said writ petition was disposed of by directing the official respondents to conduct survey and take action against the encroachers according to the provisions of the Tamil Nadu Urban Local Bodies Act, 1998. The petitioners were also arrayed as respondents in the said writ petitions. Since the prayer sought for by the petitioners will go against the directions issued by the Hon'ble Division Bench of this Court, this Court is not inclined to entertain the writ petition filed by these petitioners.
