ORDER

Heard both sides.

2.The writ petitioner challenges the technical approval granted by the third respondent in favour of the fifth respondent. It is seen that the writ petitioner has already filed O.S.No.70 of 2025 on the file of the Principal District Munsif, seeking permanent injunction against the fifth respondent as well as TNGECL. The writ petitioner obtained an interim order in their favour and the same has been put to challenge by the fifth respondent by filing Civil Miscellaneous Appeal. The petitioner has to work out all their claims against the fifth respondent only in a single proceeding. The petitioner cannot be allowed to launch multiple proceedings against the fifth respondent.

3.The learned counsel for the petitioner states that TNGECL is not a party to the suit and that the passing of the order impugned in the writ petition was not brought to the knowledge of the writ petitioner.

4.I therefore permit the petitioner to file Interlocutory Applications to amend the suit claim as well as to implead TNGECL. As and when such an IA is filed, it shall be allowed straightaway by the Court below. This direction will hold good only if the petitioner herein files such an IA within 7 days from the date of receipt of a copy of this order. If the petitioner fails to do so, the benefit of this order will stand automatically recalled. The Sub Court, Valliyoor is also directed to take up the Civil Miscellaneous Appeal for final hearing on **23.09.2025** and dispose of the same by passing final order on or before **10.10.2025**. I make it clear that I have not gone into the merits of the matter.

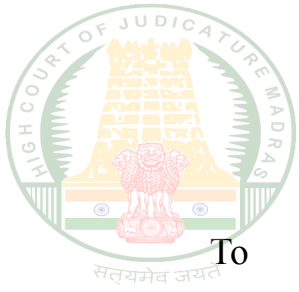

5.Granted liberty to the writ petitioner to canvass their contentions now raised before me in the pending civil suit by filing appropriate amendment applications, this Writ Petition is disposed of. No costs. Consequently, connected miscellaneous petitions are closed.
