ORDER

The petitioner has filed the present writ petition challenging the impugned order passed by the second respondent, rejecting the application of the petitioner, seeking patta transfer, through on-line application process.

2. The second respondent has rejected the application made by the petitioner, without giving an opportunity to the petitioner. It is the specific case of the petitioners that after certifying the genuineness of the assignment in favour of the vendors of the petitioner alone, the sale deed came to be registered before the competent Sub Registrar.

3. The learned counsel for the petitioner would invite my attention to the said communication issued by the then Tashildar addressed by the Sub Registrar. This was in the year 2014. Only based upon the said Certificate of the Tahsildar, certifying the genuineness / authenticity of

the assignment of the petitioner, the sale deeds came to be registered in March 2014. However, when the petitioner has made an application seeking patta based on the sale deed in his favour, the said applications has been rejected, on the ground that the subject land is classified as "Government Poromboke" and further it is contended that assignments cannot be granted to two members of the same family.

4. Be that as it may, when the petitioner had made an application for transfer of patta, based on a registered sale deed in his favour, preceded by a No objection certificate issued by the Tahsildar himself, who is the second respondent herein, without even affording an opportunity to the petitioner to satisfy the authority concerned, regarding the title to the subject land, the request for patta has been rejected. No opportunity has been granted to the petitioner before the rejection order came to be passed. Therefore, on this limited ground, the impugned order of the second respondent is set aside and matter is remitted to the Tahsildar.

6. It is made clear that the Tahsildar, Thiruverumbur Taluk, shall pass orders on the merits of the application filed by the petitioner, without being prejudiced by any of the observations that may have been made herein above.

7. With the above direction, this Writ Petition is disposed of. There shall be no order as to costs. Consequently, connected Miscellaneous Petition is closed.
