COMMON ORDER

[Order of the Court was made by M.DHANDAPANI,J.]

Since the issues involved in all these writ petitions are one and the same, they are taken up together and disposed of by this common order.

2.Learned AGP/Government Advocate takes notice for the official

respondents. As no adverse order is being passed against the private respondents, notice to the private respondents is dispensed with.

WEB COPY

3.Through the aforesaid writ petitions, while the petitioners have prayed for certain reliefs, however, the common relief that is espoused through the said writ petitions is that without framing a Standard Operating Procedure (for short 'SOP'), no authority/law enforcing agency shall grant any permission for conduct of any meeting either by a political party or any other organization.

4.Learned Counsel for the respective petitioners submit that this Court may issue a direction to the State Government to frame separate guidelines in the form of Standard Operating Procedures (for short 'SOP') while permitting the conduct of meetings by political parties in public places. It is the submission of the learned counsel that in the absence of such a procedure being in place, permission granted leads to serious consequences, as the norms fixed by the law enforcing agency are flouted and even the law enforcing agency is not taking proper steps to avert such incidents. In this regard, it is pointed out by the learned counsel that already the very same issue is seized of by the Principal Seat of this Court in W.P. (Crl.) No.884 of 2025, wherein learned single Judge has issued direction to the State Government for framing necessary SOP

and the case has been posted for compliance with regard to framing SOP on 16.10.2025.

WEB COPY

5.Learned Additional Advocate General appearing for the official respondents submit that in pursuance to the directions issued in W.P. (Crl.) No.884 of 2025, the matter is under the active consideration of the State Government with regard to framing of SOP and if the petitioner wants to espouse their cause in framing proper guidelines, the petitioners may implead themselves in the pending writ petition before the Principal Bench and if any interim order with regard to granting any permission is passed by this Court, it would adversely affect the interest of the State since the case is pending before the Principal Seat.

6.However, learned Additional Advocate General fairly conceded that till the SOP is framed by the State Government and placed before the Court and is approved, the State Government and its machineries will not grant any permission for conducting any sort of public meeting, whether political or otherwise in the interests of the welfare of public at large.

7.This Court gave its careful consideration to the submissions advanced by the learned counsel appearing on either side and perused the materials available on

WEB COPY

8.The incident, which has led to the filing of the present writ petitions, has left an indelible imprint in the minds of the common man, which incident has robbed the lives of more than 40 odd people, including children of tender age. The manner in which such permission is granted by the law enforcing agency for conduct of public meetings, to the best knowledge of this Court, is not governed by any law or statute.

9.In this regard, it is transpires that a temporary provision is available under the Tamil Nadu State Highways Act for granting permission subject on payment of rent. However, such provision is not available under the National Highways Act. In such a backdrop, this Court is at a loss to understand as to the source of power, which has been wielded by the district agency/law enforcing agency to grant permission for conduct of public meetings on the State Highways/National Highways is impermissible. When the authority has not power nor could it draw any power from any of the law, which is in force, granting of such permission for the mere asking of a political party for campaigning purposes, has put the lives of numerous individuals in peril, which has since been witnessed through the present incident.

10.However, it is the stand of the learned counsel on either side that a learned

Single Judge of this Court is seized of the matter in W.P. (Crl.) No.884 of 2025 at the Principal Bench, where all the stake holders have been directed to come up with a policy decision for framing SOP with regard to conduct of meetings in public places and the matter has been directed to be taken up on 16.10.2025.

11. In such circumstances, when the issue is already sub judice before a learned single Judge of this Court, passing any order at this stage would be detrimental not only in public interest, but also would affect the interest of the 2nd respondent in W.P.(MD)No.27532 of 2025, 5th & 6th respondents in W.P.(MD)No.27540 of 2025 and 6th respondent in W.P.(MD)No.27541 of 2025 as investigation is under way and also considering the fact that the present order is being passed at the admission stage and, therefore, it is necessary for this Court to safeguard the rights and interests of the 2nd respondent in W.P.(MD)No.27532 of 2025, 5th & 6th respondents in W.P.(MD)No. 27540 of 2025, 6th respondent in W.P.(MD)No.27541 of 2025. Hence, in the fitness of things, this Court, without expressing any opinion on the merits of the issue raised in the present petitions, takes on record the undertaking given by the learned Addl. Advocate General that no permission for conduct of public meetings on the State Highways/National Highways would be granted till such time SOP is framed/finalized by the State Government and approved by this Court.

12. Accordingly, recording the submission/undertaking of the learned Additional Advocate General appearing for the State, these writ petitions are disposed of with the following directions :-

i) There shall be an interim order directing the respondents and also the other arms of the State Government not to grant any permission to any political party or any other organization including the ruling party for conducting any public meeting in the State and National Highways. Suffice to state that this interim order would not be applicable in respect of the places, which are earmarked for conducting public meetings. Further, the authorities, who are vested with granting permission for conducting public meetings shall be empowered to grant permission only in respect of the places, which are earmarked for the conduct of public meetings and if no other earmarked public meeting place is available, then the District Administration/law enforcing agency shall call upon the organizer of the public meeting to identify the place for the meeting and upon satisfying itself as to the suitability of the place and also keeping in mind that no hindrance to the public would be caused and also free vehicular movement, grant such permission for the meeting upon

obtaining an undertaking from the said political party.

ii)Where permission is granted by an authority/law enforcing agency to conduct public meetings in places, which have been earmarked for such meetings by issuance of appropriate notification, the authority/law enforcing agency shall ensure that the respective political party/organization adheres to all the safety measures, including providing drinking water, provision of medical facilities inclusive of ambulance at call, proper sanitation facilities, sufficient parking space and other basic necessities;

iii) Further while granting such permission the concerned authority shall ensure that escape routes and exit routes for free vehicular movement, such as ambulance and other vehicles are provided at the designated meeting place and that no obstruction is caused to such free flow of traffic in case instances of the sort, which have arisen as in the present case sprouts up; and

iv)It is further made clear that the authority/law enforcing agency shall obtain necessary undertaking affidavits

from the person/political party/organization, which intends to conduct such political meeting/meeting till such time SOP is finalised and approved, which shall, of course, be done after consulting all the stake holders.

v)The petitioners herein are granted liberty to seek for their impleadment in W.P. (Crl.) No.884/2025 pending before the Principal Bench of this Court to have the SOP finalized, so that such gruesome incidents does not happen in future when such meetings are conducted by any political party/organization.

There shall be no order as to costs. Consequently, connected miscellaneous petitions are closed.
