The present Writ Petition has been filed by an Institution running Allied Health Science Course, challenging the order of the respondent dated 14.07.2025, wherein the petitioner institution has been directed to stop fresh admission for the academic year 2025 – 2026 and they have been further directed to re-locate the students admitted in the year 2024-2025 to another nearby institution.

2. A perusal of the records reveal that the institution is running from the year 2019 after getting affiliation with the Tamil Nadu Dr.MGR Medical University. A show cause notice was issued on 22.05.2024 alleging that there are certain defects found in the institution. It was followed an explanation offered by the petitioner Institution on 27.05.2024. Thereafter, surprise inspection was conducted on 06.08.2024.

3. One year thereafter, a resolution was passed by the respondent wherein it was resolved that further admission for the academic year 2025-2026 should be stopped and students who were admitted in the previous academic year 2024-2025 shall be re-located to a nearby institution. Based

6. Heard both sides and perused the materials on records.

7. The facts narrated above will clearly indicate that the students for the academic year 2024-2025 have been admitted in the month of July 2024, but surprise inspection was conducted only on 06.08.2024.
