This Criminal Original Petition is filed seeking to quash the impugned FIR in Crime No.650 of 2025 on the file of the first respondent, which was registered for the offences under Sections 191(1), 324(2), 115(2), 127(2), 351(2) and 303(2) of BNS, 2023.

2. The allegation in the FIR is that the first petitioner had threatened the defacto complainant's brother of dire consequences; that petitioners had attacked the defacto complainant's family members; that they had committed theft of gold jewels and mobile phone from the house of the defacto complainant and thus committed the aforesaid offences.

3. The learned counsel for the petitioners would submit that the petitioners are not professional thieves or robbers; that the FIR has been foisted against the petitioners as there was a wordy quarrel between the petitioners and the defacto complainant since the defacto complainant was making fun of the ladies, who attended the temple festival. He would further submit that the parties have now arrived at a compromise and decided to give a quietus to the entire dispute. The parties have filed a joint compromise memo dated 13.10.2025 and the scanned copy of the compromise memo reads as follows:
