2. The daughter has been secured today. She complained ill-treatment from the hands of the husband, which made her to take a extreme decision.

3. The detainee is not under the illegal confinement and looking out for avenues for employment to take care of her children. The mother is also present. The daughter has been handed over to her custody. However, the daughter stated that she would go to other places seeking employment. Since she is a major and in a position to take decision, we would respect that.

4. In view of the above, no further order is required and this petition is closed.
