District. Since the same was not considered, the petitioner has approached this Court by way of this Writ Petition.

4. The learned Additional Government Pleader appearing for the respondents, after taking instructions, would submit that based on the representation of the petitioner dated 20.08.2024, the first respondent has passed an order dated 25.09.2024, rejecting the request of the petitioner and the said order has been forwarded to the petitioner. Therefore, without challenging the order dated 25.09.2024, the petitioner cannot make another representation. Hence, she prays for dismissal of the Writ Petition.

5. A perusal of the order dated 25.09.2024, reveals that the petitioner's request for constructing bridge in the eastern side of the land was rejected on the ground that the subject land is a patta land. Such being the case, the right course available to the petitioner is only to challenge the order dated 25.09.2024, in the manner known to law.

6. The learned counsel appearing for the petitioner would submit that the order dated 25.09.2024 has not been served to the petitioner.

W.P.(MD) No.35908 of 2025

7. Considering the said submission, this Court directs the respondents to serve the copy of the order dated 25.09.2024, to the petitioner within a period of two weeks from the date of receipt of a copy of this order. After receipt of the same, it is for the petitioner to challenge the same in the manner known to law.

8. With the above observations, this Writ Petition stands disposed of. There shall be no order as to costs.
