respondent has recommended for giving permission, till date no permission was granted to the petitioner. I am unable to understand why the respondents are sleeping over on this aspect. Hence, this Court directs the first respondent to consider the online application of the petitioner dated 25.10.2025 and send his recommendation along with the recommendation of the second respondent dated 26.10.2023 to the third respondent and after receipt of the same, the third respondent is directed to give permission to the petitioner for removing the rough stones and uneven soil surface from his land and dumping it to his other land, within a period of one week thereafter.

6. With the above direction, this Writ Petition is disposed of.

There shall be no order as to costs.
