COMMON ORDER

These writ petitions have been filed seeking issuance of a Writ of Mandamus, one petition praying to forbear the respondents from conducting a survey and the other seeking a direction to conduct a survey, relating to the land comprised in Survey No.51/5B, situated in Ayyan Mettupatti Village, Usilampatti Taluk, Madurai District.

2. Heard the learned counsel for the petitioners and the learned Special Government Pleader appearing for the official respondents.

3. Both petitioners have submitted separate representations before the authorities, one seeking a direction to conduct a survey and the other seeking to forbear the survey in respect of the very same land. They therefore seek appropriate orders on their respective representations after affording an opportunity of hearing to all concerned.

4. Upon considering the nature of the reliefs sought in both writ petitions, this Court finds that the grievance of the petitioners pertains to the very same property in Survey No.51/5B, Ayyan Mettupatti Village, Madurai District. Though their prayers are mutually inconsistent, one petitioner seeks to forbear the authorities from conducting the survey, while the other seeks a direction to conduct the survey, it is not for this Court, in the writ jurisdiction, to undertake a factual adjudication of rival claims or disputed measurements, particularly when the petitioners themselves have already submitted separate representations before the competent revenue authority.

6. However, since the representations submitted by the petitioners pending before the revenue authorities and considering the overall facts and circumstances of the case, this Court directs the third respondent/Tahsildar to consider and dispose of the representations submitted by the petitioners on 14.10.2025 and 22.10.2025 respectively. While doing so, the Tahsildar shall take note of the pendency of the said appeal before the Revenue Divisional Officer.
