respondent and consider his objections before taking a decision. On account of this direction, it is unnecessary to issue notice to the fourth respondent in this Writ Petition.

4. Accordingly, this Writ Petition is disposed of by directing the first and second respondents to initiate action on the petitioner's request for a survey after issuing notice to the petitioner, the fourth respondent and owners of relevant adjacent lands. A decision shall be taken after considering objections, if any, from them. The entire process shall be concluded within three (3) months from the date of receipt of a copy of this order.

5. For avoidance of doubt, it is made clear that the parties should be relegated to the jurisdictional civil court if there is a credible title dispute. On the other hand, a boundary dispute may be decided by the revenue officials. No costs.
