(II) The petitioner will have to enclose all the relevant documents such as patta. The applicant must have individual patta in his / her name. If he / she is having joint patta, co-pattadars must given their consent for conducting survey.

(III) The survey authority will issue notice to the writ petitioner as well as the adjacent land owners and also to the interested persons, if any.

(IV) Enquiry shall be held. During enquiry, objections raised by the adjacent land owners / interested persons shall be considered.

(V) If according to the jurisdictional authority, the objections are without any basis, the same shall be overruled and the objectors shall be informed accordingly. But the survey will be conducted only after a period of six weeks so that the objector can move the concerned Court for injunction. If before the proposed date of survey, the objector is unable to obtain any injunction order, the survey can very well go on.

(VI) It is open to the parties to serve memo of instructions to the surveyor at the time of conducting survey. The same will be borne in mind. While it cannot be binding on the surveyor, the same will be taken note of.
