3. It is the case of the petitioner that she and her husband had proposed to establish a poultry farm in their land. In this regard, the petitioner applied for a No Objection Certificate before the second respondent, who, upon inspection, issued No Objection Certificate on 05.03.2025. Subsequently, based on the objection raised by two unknown persons, the second respondent cancelled the said NOC vide proceedings dated 08.05.2025, which, according to the petitioner, is a non-speaking one and violative of principles of natural justice. Thereafter, the third respondent sent a communication to the petitioner stating that the poultry farm could be established only after obtaining the necessary license from them and after complying with the guidelines issued by the Central Pollution Control Board in this regard. The petitioner has also submitted a representation on 07.07.2025 requesting cancellation of the impugned proceedings dated 08.05.2025, however, the same has evoked no response. Hence, the present petition. It the contention of the petitioner that the impugned order has been passed without prior notice to the petitioner.

4. A perusal of the impugned order reveals that it has been passed without issuing show cause notice to the petitioner. Therefore, the Writ Petition is allowed and the impugned order in Na.Ka.No.Aa3/1346/2025 dated 08.05.2025

is set aside. The matter is remitted back to the second respondent, who shall issue notice to the petitioner and other complainants, receive the objections of the petitioner, provide him a personal hearing and pass speaking order. The said exercise shall be completed within a period of two months from the date of receipt of a copy of this order. No costs. Consequently, connected Miscellaneous Petition is closed.
