3. Learned Special Government Pleader accepts notice for respondents 1 and 2 and learned Government Advocate (Crl.Side) accepts notice for the third respondent. Learned Special Government Pleader submits that an inquiry would be conducted after issuing notice to the petitioner, the fourth and fifth respondents and owners of any other relevant adjacent lands. He also states that objections, if any, from the said persons would be taken into consideration.

4. Upon considering the above submissions, it is not necessary to issue notice to the private respondents in this Writ Petition. Instead, this Writ Petition is disposed of by directing the first respondent to conduct an inquiry in relation to the petitioner's request for a survey after issuing notice and providing a reasonable opportunity to the petitioner, the fourth and fifth respondents and the owners of any other relevant adjacent lands. Objections, if any, of the said persons shall be taken into account. For the avoidance of doubt, it is clarified that the survey should not be conducted if there is a credible title dispute, whereas boundary disputes may be decided by the first and second respondents. At the end of the
